CAMPAIGN OBJECTIVES WE PLAN FOR

- Brand awareness
- Engagement
- Website traffic
- Lead generation
- Conversions
- Retargeting

AD SPEND & RESULTS

Advertising budgets are paid directly to the platforms and are separate from QC fees. Performance depends on budget, market, offer and competition, so no specific result is guaranteed.

05 SEO & DIGITAL VISIBILITY

Be found when customers are searching

Search-friendly foundations and content that grow organic visibility over time.

VISIBILITY SERVICES

SEO audit
01
Technical review with clear, prioritised recommendations.

Keyword & competitor research
02
Understand what your customers search for and who ranks.

On-page optimisation
03
Titles, headings, content structure and internal links.

SEO content & articles
04
Planned blog and landing-page content that answers real questions.

Local SEO
05
Google Business Profile and location-specific visibility.

Landing pages
06
Focused pages built for campaigns and search intent.

Social search optimisation
07
Profiles and content optimised for discovery within social platforms.

Performance & mobile
08
Speed and mobile-experience improvements that support rankings.

HOW WE BUILD VISIBILITY

1. **AUDIT** — Current visibility and gaps
2. **RESEARCH** — Keywords and competitors
3. **OPTIMISE** — Pages and technical fixes
4. **PUBLISH** — Planned SEO content
5. **MONITOR** — Rankings, traffic and enquiries

SEARCH ENGINES DECIDE RANKINGS

SEO is a long-term investment. We follow search-engine guidelines and best practice, but no ranking position or timeline can be guaranteed.

06 MARKETING AUTOMATION & CRM

Turn engagement into enquiries — automatically

Capture, route and follow up every lead without letting opportunities slip.

AUTOMATION SERVICES

Lead capture 01
Forms and landing pages connected to your campaigns.

CRM setup & integration 02
A single place to track every lead and its status.

WhatsApp & messaging 03
Automated first responses and enquiry routing.

Email marketing 04
Welcome, nurture and promotional email sequences.

Follow-up workflows 05
Reminders and tasks so your team responds on time.

Social inbox automation 06
Auto-replies and routing for comments and DMs.

Campaign tracking 07
UTM tagging to see which campaigns drive enquiries.

Audience segmentation 08
Group contacts for more relevant communication.

A CONNECTED LEAD JOURNEY

1 **CAPTURE**
Form, ad or message

→

2 **ROUTE**
To the right person or list

→

3 **NURTURE**
Automated follow-up

→

4 **CONVERT**
Your team closes the enquiry

PRIVACY & CONSENT

Automations are designed around consent and data minimisation, in line with applicable rules such as Malaysia's PDPA and India's DPDP Act. The business remains responsible for how customer data is used.

07 ANALYTICS & PERFORMANCE

Measure what matters. Improve what works.

Clear reporting that connects marketing activity to business results.

REPORTING & OPTIMISATION

Tracking setup
01
Analytics, pixels and conversion events configured correctly.

Monthly reports
02
Plain-language summaries of performance and next steps.

Campaign dashboards
03
Live views of spend, reach and results.

Audience insights
04
Who engages, when and with what content.

Content analysis
05
Which formats and topics perform best.

Conversion tracking
06
From click to enquiry to sale, where measurable.

Competitor benchmarking
07
How your presence compares in your market.

Optimisation plan
08
Recommendations that feed the next month's plan.

KPIS WE CAN TRACK

- Reach & impressions
- Engagement rate
- Follower growth
- Website visits
- Leads
- Cost per lead
- Conversions

AGREED MEASURES

We agree the KPIs that matter to your business at the start, so every report shows progress against your goals — not vanity metrics.

08 OUR APPROACH & DELIVERY

A focused, end-to-end approach

From strategy to performance, we turn your marketing objectives into measurable results.

HOW WE DELIVER

01	**STRATEGISE**	Define goals, audience and the right platforms for your business.

- Corporate businesses
- Entrepreneurs & professionals

MEASURABLE MARKETING FOR REAL BUSINESS GROWTH.

Strategy, content, campaigns and reporting under one partner — so every channel works towards the same goals.

09 ENGAGEMENT OPTIONS

Choose the right level of support

Start with a focused project or a monthly partnership — and scale as you grow.

WAYS TO WORK WITH US

ONE-TIME

Social media setup

Strategy, account setup and optimisation, brand templates and a first content calendar.

RETAINER

Monthly social management

Content creation, publishing, community engagement and monthly reporting.

CAMPAIGN

Campaign & ads package

Campaign strategy, ad creative, paid social management and performance reporting.

PARTNERSHIP

Digital growth partnership

Social, content, ads, SEO, automation and analytics as one integrated programme.

INCLUDED IN EVERY ENGAGEMENT

- ✓ A dedicated point of contact
- ✓ Regular reporting against agreed KPIs
- ✓ Brand-consistent creative across channels
- ✓ Content approval before anything is published
- ✓ Transparent, separate ad-spend budgets
- ✓ Scope confirmed in a written proposal

NOT SURE WHERE TO START?

A short discovery conversation helps identify the right first step — whether that is a social media setup, a monthly content plan or a lead-generation campaign.

10 LET'S GROW YOUR DIGITAL PRESENCE

Your next step starts with a conversation

We begin by understanding your goals, then shape a practical marketing plan.

A DISCOVERY CONVERSATION CAN COVER

- Your business, products or services.
- The audiences and markets you want to reach.
- Your current social channels, website and results.
- Your priority: brand awareness, engagement, leads or sales.
- The right first project, budget and measurable objectives.
